Yes.....We can make a name change in COMPASS, which is the Agencies Financial Accounting System and the SSID Listing.  
Send your email to Rey Gomez, cc me and to whomever must be notified, this will make it official. Rey, will forward your email to me and I'll make the necessary changes in COMPASS and the SSID Listing. Don't forget to get a CERCLIS number from Dee Dee.

---

Can the SSID name be change from Bachman Services to Bachman Services **Fire** in order to match OSC.net.? Also, it gives a little more distinction if something ever happens at Bachman again. Thx.
